# Cerec®

Doctors using Cerec® intraoral scanning systems can send digital impressions directly to NDX Pacific through Cerec Connect.

To send a file:

1) Create an account on www.sirona-connect.com and follow the prompts for activating the account (if you already have an account, proceed to step 3).

2) After account activation, log into your account and add **NDX Pacific** to the list of Favorite Laboratories.

3) Log into your Cerec software and complete the digital scan.

4) After completing scan acquisition and marking the margin, proceed to the Connect step and enter Login info.

5) Review your order and restoration information, and then click *Enter Order Data*.

6) Once the upload is complete, select *NDX Pacific* and the desired return date.

7) Click *Add Additional Information* and enter gender, age, comments, and upload any additional files for the case. If model-less, please specify.

8) Review information, and click *Submit Cart.*

9) Enter your user name and password once again, and then case submission is complete.
