

# Chairside Services

NDX Green assists doctors in delivering successful results for their most challenging cases. With our chairside services, knowledgeable dental assistants act as liaisons between the dentist, dental auxiliary, the patient and the laboratory. During chairside consultation with our experts, the doctor and his/her staff will learn about the materials being used and new techniques that may apply specifically to the case in question.

## BENEFITS TO YOUR PRACTICE

- » Increase patient treatment plan acceptance
- » Learn techniques that can help to make your practice more efficient
- » Eliminate additional chairtime and the cost associated with returning cases to the lab
- » Satisfy patients' high expectations with shades that match existing dentition
- » Reduce office frustration and stress

## NDX GREEN COMPLIMENTARY SERVICES FOR ELIGIBLE CLIENTS

- » Custom Staining on Anterior Crowns and Bicuspid (Excluding Full Zirconia)
- » Add Porcelain
- » Contour Adjustments
- » Seat All-ceramic Restorations
- » Implant Impressions
